

PARTNERSHIPS

As a community based not for profit preschool, we welcome, appreciate and depend on your involvement. We value the family and the community as partners in your child's education and hope you and extended family will become involved in your child's preschool experience.

Families can do this by taking an interest in what happens at preschool; talking to your child about their day; reading notes and newsletters; spending time at preschool to play and interact with your child and their friends; completing surveys; attending parent talks; caring for our place; joining the management or social committee; participating in fund raising and special events; attending meetings; making suggestions; joining in social events and working bees; reading your child's journal and writing and pasting in the journal with your child; lobbying politicians and telling others about the wonderful things that are happening at The Point Preschool.

You and your family are a very important part of a community based preschool and you have a very important role to fulfil at The Point. We value and welcome your support.
